

## PROFILE

My name is Blake Dragos and I grew up in Chanhassen Minnesota as one of 6 kids. Since going to college, I have discovered a love for Web Development and all things programming and would love to help you make the website you want the way you want it!

Video Games  
Reading  
Archery

# BLAKE DRAGOS

Full Stack Web Developer

## EDUCATION

---

### University of Minnesota Coding Bootcamp

2018 - 2019

[Got A's on every assignment and worked well in groups to develop code and websites]

### Hennepin Tech

2017 - 2018

[Learned the building blocks of programming here and left with a 4.0 when a better opportunity came up]

### University of Saint Thomas

2014 - 2016

[Learned a tremendous deal here but it was not for me, so I ended up leaving in search of a better program for myself]

## WORK EXPERIENCE

---

### DexaFit [Full Stack Developer]

2019 - 2020

[Worked by myself to develop their new website with a React Frontend, Node.js Backend, and AWS deployment.]

### Trilogy Boot Camp [ TA ]

2019 - 2020

[Spent nights here teaching others how to code and debugging new problems daily. Forming strong Debugging skills.]
